**COMING SOON...**

**Kentish Cherries - local and should be ready for picking at the weekend - last year's crop was amazing**

Wild & Cultivated Mushrooms - we have reorganised our incoming transport here post Brexit and first deliveries due in later this week. Lots of availability for next week

**Premium Duck & Poultry lines from South West France are subject to supply issues due to Avian Flu - we are hoping this situation will ease significantly over the coming weeks**

New British sourced premium fresh meat - logistics being sorted shortly, watch this space!
